Disclaimer

Liability for Content

I make every effort to keep the information on my website current, however without accepting any liability whatsoever for the content provided. Pursuant to section 7 (1) of DDG (German Digital Services Act), the law limits my responsibility as a service provider to my own content of these web pages. According to sections 8 through 10 DDG, I am not obliged to monitor third party information provided or stored on my website or to investigate circumstances indicating illegal activities. This shall apply without prejudice to obligations to remove or block the use of information according to the general statutory provisions. However, I shall promptly remove any content upon becoming aware that it violates the law.

Liability for Links

My site contains links to third-party websites. I have no influence whatsoever on the information on these websites and accept no guarantee for its correctness. Responsibility for the content of such third party sites rests with the respective owners/providers. At the time third-party websites were linked to mine, I found no grounds whatsoever of any likely contravention of law.

However, permanent monitoring of the linked pages cannot reasonably be expected of the provider, unless there are concrete indications of a violation of law. Such links shall be removed without delay upon becoming aware of such violations of law.

Copyright

The content and works provided on these web pages are governed by the copyright laws of Germany. Duplication, processing, distribution, or any form of commercialisation of such material beyond the scope of the copyright law shall require the prior written consent of its

respective author or creator. Downloading and copying of this website is only permitted for private use, not for commercial use. As far as the content on this website was not elaborated by the provider, the copyright of third parties was observed. In case you nevertheless become aware of a copyright infringement, you are kindly requested to inform us accordingly. Such content will immediately be removed upon becoming aware of violations of law.

Data Protection

The visit of my website is possible without indicating any personal data. As far as any personal data (like name, address or e-mail-address) are collected on my website, this will only take place with your explicit prior approval. These data will not be transmitted to any third parties without your explicit consent. Please be aware that there are inherent security risks in transmitting data via the internet (e.g. in case of communication by e-mail), because it is impossible to safeguard the data completely against unauthorised access by third parties. I explicitly oppose the use of any available contact information by third parties for sending unsolicited advertisements.
